

## Colored Salt Designs

### **Materials:**

Salt

Chalk in a variety of colors

Paper to work on

Individual small jars or 1 lg. for group project

### **Instructions:**

1. Pour salt on paper.
2. Hold chalk sideways and rub salt until colored.
3. Pour into jar.
4. Continue with different colors, pouring salt in layers, until jar is full.
5. Be careful not to move or shake the jar.
