

Family Key Keeper

Materials:

Two picture hangers

A 2 ½ by 12-inch pine board

Several small, flat wooden spoons or wooden paint stirrers cut into 3 ½ inch lengths

Colored markers

Twine or yarn

Glue

Small brass cup hooks

Instructions:

1. Attach the picture hangers to the back of the pine board according to the directions.
2. Decorate the wooden spoons with colored markers to resemble each person and pet in your family.
3. When you're done coloring, help them fashion hairdos by gluing on pieces of twine.
4. Glue the handle of each spoon to the back of the pine board, so that the characters are spaced equally apart.
5. Once the glue dries, screw a brass hook into the board below each character, and the rack is ready to use.
