

Life Size Block Puzzle

Materials:

4 identical square boxes

Pencil

Tempera paints

Paintbrushes

Instructions:

1. Stack the boxes on top of each other and decide what 4 animals to create, one for each side of the box.
2. Draw heads on the top box, torsos and shoulders on the next box, arms and tummies on the next box, and legs and feet on the last box.
 - Make sure each segment lines up with the next segment
3. Paint each animal in different bright colors
4. When paint is dry, stack the boxes in order.
5. Turn boxes to create new combinations.
