

Make a Snowman From Paper Plates

Materials:

2 white paper plates
Construction paper (black, red) or wrapping paper
An orange pipe cleaner
A short length of yarn or ribbon
Hole punch
Marker or crayones
Scissors
Glue
Googly eyes and large buttons (optional)

Instructions:

1. On one of the paper plates, cut off the outer rim, making a smaller plate.
2. Punch a hole near the rim on both plates
3. Tie the two plates together, using the yarn or ribbon.
4. On black construction paper, draw and cut out a top hat and boots.
5. On colored construction paper, draw and then cut out two mittens.
6. Glue the hat, boots, and mittens on the snowman.
7. Either glue on googly eyes or draw eyes, and draw a mouth.
8. For a nose, cut a short length from an orange pipe cleaner and stick the pipe cleaner through the plate to secure it.
9. For buttons, you can cut out shapes from construction paper , use round stickers, glue on real buttons, or draw them.
