

Paper Pal May Day Bouquets(Bee)

Materials:

Construction paper- yellow and black

Tape or stapler

Scissors

4 pipe cleaners- 2 yellow and 2 black

Pom-poms- 2 yellow and 2 black

Glue

Googly eyes

Ribbon

Hole punch

Instructions:

1. Hold a sheet of black construction paper with shorter ends at the top and bottom
2. Start at lower right corner and roll the sheet into a cone, and tape or staple.
3. Trim the top to create a rounded head in the front.
4. For antennae, fold a yellow pipe cleaner in half and staple the bent side to the backside of the head.
5. Curl each tip of pipe cleaner and put black pom-poms on the ends of the pipe cleaner (wrap the ends of the pipe cleaner around the pom-poms)
6. Create yellow strips by wrapping torn strips of yellow paper around the cone and gluing in place.
7. Tape or glue paper wings and a heart shaped paper face.
8. Make face with drawn mouth and glued on yellow pom-pom eyeballs, topped with googly eyes.
9. For a hanger, make holes in opposite sides of the cone with a hole punch and thread ribbon through, tie each end with a knot.
10. Put flowers in the top.
