

## Thread Head

### **Materials:**

Plastic thread spool

Yarn

Pipe cleaners

Buttons

### **Instructions:**

1. Peel labels from plastic thread spool
2. Cut yarn into 2-dozen 6 inch lengths and divide them into 4 groups of 6
  - Sandwich each group in a pipe cleaner bent in half
3. Fit each set of pipe cleaner ends into separate holes in the center of the spool
  - Pull the ends just far enough to secure the yarn in place
4. Trim 4 of the pipe cleaner ends that are protruding from the bottom of the spool so they are flush with the plastic
5. Pose four remaining ends to look like arms and legs
6. Glue button eyes and nose to spool for face
