

I Am A Toddler, Hear Me Roar

If it is on, I must turn it off.

If it is off, I must turn it on.

If it is folded, I must unfold it.

If it is high, it must be reached.

If it is closed, it must be opened.

If it does not open, it must be screamed at.

If it is full, it will be more interesting emptied.

If it is paper, it must be torn.

If it is food, it must not be tasted.

If it is not food, it must be tasted.

If Mommy's hands are full, I must be carried.

If Mommy is in a hurry and wants to carry me, I must walk alone.

And best of all, if it is a Mommy, it must be hugged!
